34	3226	3152	3165	3203	3162	34

Chart gives overall size of entire panel including glass blocks and Fits Anywhere aluminium frame

Chart gives horizontal length of pvc separation strips

Opening size required to face fix to the reveal either in a timber frame or brick/concrete/plaster reveal

Chart gives overall size of entire panel including glass blocks and 19mm kiln-dried hardwood frame

Size of glass brick and 3mm separation strip - make sure you add 3mm to allow for last silicone joint
